Sir

Adverting to your Letter No 8737/med 158-09-1 dated 17th March 1910 calling for the views of the District Board in the matter of establishing a Local Fund Dispensary at Dharmasagar in the Chitaldrug Taluk, I have the honor to state that the subject was placed before the District Board held on 17th May 1910 for consideration and a copy of the resolution is herewith submitted for kind perusal of Government.

The Senior Surgeon with the Government of Mysore in his letter No 5233 dated

dated the 9th April 1910 estimates that an initial Cost of Rs 470/- for supplying furniture etc as well as a recurring charge of Rs 53 per mensem or Rs 636 per annum on account of establishment in addition to a building are required to locate a dispensary at the place. As the financial position of the District Board does not admit of incurring such a heavy outlay annually, it was resolved that a native Vaidyasala be established at Dharmasagar for the present at a cost of Rs 17/- per mensem and that the question of establishing a Dispensary at this place may be considered when funds become available.

As Dharmasagar and its surrounding villages are unhealthy, and as the former is situated at a distance of twenty miles from Davangere and Chitaldrug, it is very

5

very desirable that a Vaidyasala be established at this place to render medical aid to the needy. I, therefore, request that Government may kindly be pleased to sanction the establishment of a Vaidyasala at this place at a monthly cost of Rs 17/- as detailed above. A qualified pandit will be appointed to the place on receipt of Government sanction to this proposal.

I have the honor to be,
Sir
Your most Obedient Servant.

for President, District Board
Chittalong District

Proceedings of the meeting of the Chitalang District Board held at Chitalang on Tuesday the 17th May 1910.

(b) Senior Surgeon Letter No 5233 dated 9. 4. 1910 furnishing information as regards the recurring and non-recurring Charges in case a Dispensary is to be located at Dharmasagara.

Resolution

The Senior Surgeon States that an initial Cost of Rs 470/- for Supplying furniture Etc as well as a recurring Charge of Rs 53/- per mensem or Rs 636/- Annually in addition to rent for hiring a building is necessary

5

7

To establish a Dispensary at Bhamasagara

As the financial Condition of the District Board does not admit of meeting the above Charges at present it was unanimously resolved that a Native Vaidyasala be Established temporarily in view of the unhealthiness of the place as well as the surrounding villages at a cost of Rs 204/- per annum as noted below. The question of Establishing a Dispensary at the place may be considered when funds become available
